The Ritual Wearing of the Mask

By Steve Barwick

Extract from the Article Occult Ritual Transformation and Coronavirus
19 May 2020

At this point in time, 30 countries ... are now forcing their citizens to wear face masks over their mouths on a mandatory basis, ostensibly to help stop the coronavirus infections.

This, even though numerous medical experts ... have openly stated that wearing masks has no beneficial effect whatsoever against coronavirus.

What's more, numerous medical experts have attested to the fact that face masks can even be dangerous to one’s health in that they curtail clear thinking (and even consciousness) by trapping carbon dioxide in the chamber of the mask, forcing you to re-breathe it over and over, thus depleting your blood of fresh air and the life-giving oxygen component it contains.

So why are the powers-that-be, globally, forcing their citizens to wear these face masks, if the masks simply don’t work against coronavirus, and might very well be dangerous to your health? ...

Submission

Masking has traditionally played a very important role in occult rituals. Among other things, the wearing of the mask over one’s mouth is a token of submission... a gesture of your willingness to be subject to others who are not your usual Sovereign.

Mask wearing is:

“A form of disguise or concealment usually worn over or in front of the face to hide the identity of a person and by its own features to establish another being” [Encyclopedia Britannica].

In other words, the wearing of a mask represents an occult transformation – a human alchemy, if you will – from one role to another. From one manner of being, to another. Indeed, in this case, from individual sovereign under God to collective subject under the children of the devil ...

Wearing the mask is a powerful occult symbol indicating your submission to another power other than the Creator God who gave you the direct commission to preach His Word to the world ... But in the hierarchy of the ritualists, it's quite the reverse: The entire point of occult ritual mask-wearing is to hammer home to your subconscious – until it becomes completely true in your daily life – the idea that things are no longer the same, and will never the same again.
It’s an initiation into a new order. But it’s also a transformation of the self into a new position in that new order. Under the sway of the occult ritualist, you, being mouth-masked, are no longer the person you used to be. You’re no longer a designated mouthpiece of God on this earth. You’re suddenly demoted and re-assigned to the position of obedient subject.

Symbolically, you become a serf in the new order. That’s your new role... your new identity... as represented by the wearing of [the] mask.

The wearing of the mask is simply part of the initiation ritual used to visually and psychologically signal your consent to this new arrangement ... Instead of being a sovereign representative of the Most High God and His Word on this earth, in essence, you agree to become a willing subject – a slave – to the very enemies of God and His Christ. Masked, you’re now willingly serving the enemy’s purposes, and no longer God’s.

When you obediently put the mask over your mouth, you’re symbolically saying to the ritualists, ‘I admit my words no longer have any purpose or relevance in this life. My sole purpose now is obedience to your words and commands.’

And in raising themselves to the position of your new sovereign, and muzzling you like a dog in the process, they alchemically create a new you in a new role under new rulers ... They’re quite literally attempting to take the place of God in your life, and make you their willing subject. They’re becoming your instead-of-Christ. Your antichrist.

And by placing the mask on your face, you’re becoming their unwitting faithful servant. You’re being ritually initiated into the new order. You may not realize it. But in occult magic, the victim doesn’t have to be knowledgeable of the meaning behind what he or she is being told to do. The performance of the ritual itself – on demand – is all that matters.

Many Antichrists

So, who exactly is doing this to us?

“Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time” (1 John 2:18).

You didn’t think these “many antichrists” would sit around on their hands all day, doing nothing, in the final days of this flesh earth age while they’re waiting on the return of their father the devil in his role as the false messiah, did you?
Naturally, they’re softening things up for their god – Satan – before he gets here ... By wearing the mask, you’re being symbolically and alchemically transformed – “reborn” – into their new global system, through occult ritual programming.

“The person who wears the mask is also considered to be in direct association with the mask’s spirit force … Upon donning the mask, the wearer sometimes undergoes a psychic change, and, as in a trance, assumes the spirit character depicted by the mask” [Encyclopedia Britannica].

Well, folks, the antichrist – the instead-of-Christ – is the “spirit force” of the mask we’re talking about ... He’s the spirit behind the powers-that-be who are working to pull off this global coup. And it’s the powers-that-be who have masked, muzzled and demoted you to your new status of slave ... The mask-wearing ritual is designed to possess you with the spirit of subservience to your new overlords, who are the “many antichrists” of 1 John 2:18.

And it sets you up to do the same when the anti-christ arrives and offers his actual “mark” ...

**An Army of Karens and Dancers**

If you don’t think wearing the mask quite literally *changes* people ... think about all of the masked “Karens” you’ve seen online videos of, wildly chasing people who aren’t wearing masks down the road, publicly berating them for not wearing masks, and screaming at them there’s “blood on their hands” for not masking up like good little boys and girls always should ...

Through the wearing of the mask, the occult ritualists have created an army of “Karens” – programmed automatons who take the ritual so seriously that they feel personally and physically threatened when you don’t. And they don’t mind telling you so. Often vigorously.

“[T]he wearer skilfully becomes a ‘partner’ of the character he is impersonating … bringing it alive by his movements and poses” [Encyclopedia Britannica].

In other words, in the end, the mask becomes part of the very identity of those who wear it. The occult transition becomes complete. The “new you” is born from the ritual.

“But often the wearer [of the mask] seems to become psychologically one with the character he is helping to create. He seems to become an automaton, without his own will, which has become subservient to that of the personage of the mask” [Encyclopedia Britannica].

You might want to think about those dozens of online videos showing fully-masked hospital nurses and hospital workers participating in elaborately choreographed Tik-Tok dance videos ... a veritable masked dance of death ...

“And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth” (Revelation 6:8).
By adding dance to the mask-wearing, the new slaves show their willingness to entertain their captors – to become little more than flesh play-sports to them – just as the Babylonian soldiers of old tried to force the Israelite captives to entertain them with music:

“For there they that carried us away captive required of us a song: and they that wasted us required of us mirth, saying, Sing us one of the songs of Zion. How shall we sing the Lord’s song in a strange land?” (Psalm 137:3-4).

The Israelites of old refused to entertain their captors... refused to provide the requested mirth ... But unlike the time of the Babylonian captivity, today's coup against God's People, and today's ongoing overthrow thereof, is, so far, being accomplished without conventional warfare.

Deception and Snitching

So, the people, by-and-large, don't even realize the depth and severity of the attempted coup against them, because it's being accomplished almost solely through occult ritual deception. Which is why God's Word warns us that there will be times we can't even trust our own neighbors:

“Take ye heed every one of his neighbour, and trust ye not in any brother: for every brother will utterly supplant, and every neighbour will walk with slanders. And they will deceive every one his neighbour, and will not speak the truth: they have taught their tongue to speak lies, and weary themselves to commit iniquity. Thine habitation is in the midst of deceit; through deceit they refuse to know me, saith the Lord” (Jeremiah 9:4-6).

First, the powers-that-be deceive your neighbours into putting on the mask. Then your neighbours, thinking they're doing right, work to push you into doing the same, using peer pressure and virtue-signalling. And if you refuse to be deceived, as they are, they'll slander you, turn against you, and work to supplant you. Does all this sound familiar to you? ... many cities and states now have highly publicised “snitch lines" ... Neighbor being turned against neighbor ... over their failure to perform a prescribed ritual.

Your own neighbors end up as mind-controlled “pod people” who want nothing more than to drag you into the interconnected pod hive with themselves ... happily betraying you (and your God-given freedoms and position) in the process.

Censorship

“To better understand the symbolism of wearing the mask, try typing the word ‘censorship’ into Google Images and see what kind of illustration predominantly comes up … Gags are a symbol of subservience and domination; they are deeply humiliating … That is why people resist them so much; that is also why they are currently being made mandatory the world over … mandatory gagging ties directly into the symbology of silence” [Coronacircus.com].

And here's one little thing in particular they'd love you to keep silent about:
Yes, they even admit right on the box holding the face masks that they don’t work for coronavirus.

[Note from EMcD: So-called ‘fact-checkers’ are now desperately attempting to persuade dissenters that the words on the box don’t actually mean what they say. Quelle surprise!]

So why would they force you to wear them under penalty of law? Because, in the grand scheme of things, wearing the mask has nothing to do with coronavirus. It has to do with initiating you into the new global order, and your new place within it ...

[M]ask-wearing is symbolic of the silent acceptance of humanistic one-worldism under Satan.

The precursor to Revelation 13:15?

“And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed” (Revelation 13:15).

**Mystery, Babylon**

“And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH” (Revelation 17:5).

Have you ever wondered why, in Revelation, 17:5, Babylon is called “Mystery, Babylon”? ... the word “Babylon” means confusion. But what does the word “mystery” mean?
“Musterion – From a derivative of *muo* (to shut the mouth); a secret or ‘mystery’ (through the idea of silence imposed by initiation into religious rites) – mystery” [Strong’s Concordance].

The word “mystery” in the Bible has to do with *shutting the mouth* as one undergoes a secret religious initiation ... there’s much more to the wearing of masks than what we’ve been led to believe. Mask-wearing is a very occultic phenomena, and always has been ... for thousands of years ... it’s a striking example of *musterion* – a secret religious initiation having to do with *silence* being imposed by *shutting the mouth*.

[M]ask-wearing has nothing to do with coronavirus, but instead, with the filthy pagan and occult beliefs of our present overlords who are seeking to make us their willing slaves through psychological programming, *aka* occult ritual programming.

This is what occultists do. Like the story of the lady who rescues the hapless snake, only to have it bite her later. But when she asks the snake, “Why did you bite me?” the snake simply replies, “Because I’m a snake, lady. That’s what we do.”

In making you wear the mask, the powers-that-be are initiating you into their new order. They’re demoting you from your position as a sovereign representative on earth to the Most High God, to your new position as a dependent slave to their system, their “Mystery Babylon”, which could very simply be translated: *silent confusion*.

Can the power of this occult ritual be stopped? Yes, it can. And quite easily, for any Christian. As a Christian, you can simply opt-out of the ritual. Stop participating. **Withdraw your consent**
